Soren Kaplan

DISRUPTIVE INNOVATION, NEW BUSINESS MODELS, AND INNOVATION CULTURE

Soren Kaplan is a globally recognized keynote speaker, the author of the bestselling and award-winning books, Leapfrogging and The Invisible Advantage, a writer for FastCompany, an affiliated professor at the Center for Effective Organizations at USC’s Marshall School of Business, and the Founder of InnovationPoint.

Soren fine-tunes his keynotes to his specific audience by emphasizing different types of innovation: products, services, processes, technology, business models, customer experience, and organizational culture. Unlike many traditional “speakers,” he also provides hands-on workshops and breakouts that translate his presentations into tangible actions plans.

Topics often include:

Disruptive Innovation is Everyone’s Business

In this high-energy and provocative keynote, Soren highlights the importance of disruptive innovation for leaders, organizations and business functions.

• Learn about the different types of innovation – from incremental to disruptive
• Obtain principles and practices for innovating products, services, process, and business models
• Gain insight from real-world trailblazers from across industries
• Instantly apply new knowledge to real business issues or opportunities

DISRUPTIVE INNOVATION, NEW BUSINESS MODELS, AND INNOVATION CULTURE

Keynote Speaker/Author

Your Invisible Advantage – How to Create a Culture of Innovation

Soren reveals the secrets for creating an organizational culture that drives continuous innovation.

• Learn how organizational culture impacts behavior and how it can be shaped to foster innovation
• Gain insight into the levers that influence culture, including leadership behavior, storytelling, metrics, rewards, and organizational structures and processes
• Obtain models and tools for transforming your organization’s own culture
• Instantly apply new knowledge through interactive discussions

Business Model Innovation

Soren reveals the future of business model innovation with a focus on the strategies and steps for identifying, developing, and driving innovative business models that generate new revenue streams, create competitive differentiation, and add a step-change in value to the market.

• Learn about the emerging technology trends changing the face of every industry
• Gain insight into the three dimensions of business models – value, differentiation, and revenue
• Obtain tools and strategies for business model innovation
